ARTICLE III

MEMBERSHIP AND VOTING RIGHTS
IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee, interest in any Lot which is subject by covenants of record to assessment by the Association shall be a member of the Association, provided that any such person or entity who holds such interest merely as a security for the performance of an obligation shall not be a member. The requirement of membership shall not apply to any mortgagee or third person acquiring title by foreclosure or otherwise, pursuant to the mortgage instrument, or those holding by, through or under such mortgagee or third person.

Section 2. Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all those owners as defined in Section 1 with the exception of the Developer. Class A members shall be entitled to one vote for each Lot in which they hold the interests required for membership by Section 1. When more than one person holds such interest or interests in any Lot, all such persons shall be members, and the vote for

such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Lot.

Class B. Class B members shall be the Developers. The Class B member shall be entitled to two votes for each Lot in which it holds the interest required for membership by Section 1, provided that the Class B membership shall cease and become converted to Class A membership when the total votes outstanding in the Class A membership equals the total votes outstanding in the Class B membership, at which time the Class B Membership shall be determined to be a Class A Membership and entitled to vote as such.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Members' Easements of Enjoyment. Subject to the provisions of Section 3, every Member shall have a right and easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to, and shall pass with the title to every lot.

Section 2. Title to Common Properties. The Developer may retain the legal title to the Common Properties until such time as it has completed improvements thereon and until such time as, in the opinion of the Developer, the Association is able to maintain the same but, notwithstanding any provision herein, the Developer hereby covenants, for itself, its successors and assigns, that it shall convey the Common Properties to the Association not later than the 1st day of January, 1985.

Section 3. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) the right of the Developer and of the Association, in accordance with its Articles and By-laws, to borrow money for the purpose of improving the Common Properties and in aid thereof to mortgage said properties. In the event of a default upon any such mortgage the lender shall have a right, after taking possession of such properties, to charge admission and other fees as a condition to continued enjoyment by the members and, if necessary, to open the enjoyment of such properties to a wider public until the mortgage debt is satisfied whereupon the possession of such properties shall be

returned to the Association and all rights of the Members hereunder shall be fully restored; and,

(b) the right of the Association, as provided in its Articles and By-laws, to suspend the enjoyment rights of any Member for any period during which any assessment remains unpaid, and for any period not to exceed thirty (30) days for any infraction of its published rules and regulations; and,

(c) the right of the Association to charge reasonable admission and other fees for the use of the Common Properties; and,

(d) the right of the Association to dedicate or transfer all or any part of the Common Properties to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members, provided that no such dedication or transfer, determination as to the purposes or as to the condition thereof, shall be effective unless an instrument signed by Members, entitled to cast two-thirds (2/3) of the votes irrespective of class, of membership has been recorded, agreeing to such dedication, transfer, purpose of condition, and unless written notice of the proposed agreement and action thereunder is sent to every Member at least ninety (90) days in advance of any action taken; and,

(e) the rights of Members of the Association shall in no wise be altered or restricted because of the location of the Common Property in a unit of Killearn Estates, Inc., in which such Member is not resident. Common Property belonging to the Association shall result in membership entitlement, notwithstanding the unit in which the Lot is acquired, which results in membership rights as herein provided.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Developer for each Lot owned by him within the Properties hereby covenants and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments, to be fixed,

established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof with hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in The Properties and in particular for the improvement and maintenance of properties, services, and facilities devoted to the purpose and related to the use and enjoyment of the Common Properties and of the homes situated upon The Properties, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement, and addition thereto, and for the cost of labor, equipment, materials, management and supervision thereof.

Section 3. Basis and Maximum of Annual Assessments. Until the year beginning January, 1972, the annual assessment shall be Thirty Dollars (\$30.00) per lot. From and after January 1, 1972, the annual assessment may be increased by vote of the Members, as hereinafter provided, for the next succeeding three (3) years, and at the end of each such period of three (3) years for each succeeding period of three (3) years. Any Member, paying the annual dues on or prior to June 1 of the year in which same become due, shall be entitled to pay only the sum of twenty-four Dollars (\$24.00). From and after June 1 of each year, the annual dues shall be Thirty Dollars (\$30.00).

The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common

Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of Class A Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments. Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period provided that any such change shall have the assent of the two-thirds of the votes irrespective of class of Members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger of consolidation in which the Association is authorized to participate under its Articles of Incorporation and under Article II, Section 2 hereof.

Section 6. Quorum for any Action Authorized Under Sections 4 and 5. The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies, entitled to cast sixty (60) per cent of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments. Due Dates. The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors of the Association to be the date of commencement.

The first annual assessments shall be made for the balance of the calendar year and shall become due and payable

on the day fixed for commencement. The assessments for any year, after the first year, shall become due and payable on the first day of April of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in that year bear twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to the properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of commencement, and the amount of the assessment against each Lot for each assessment period of at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

Written notice of the assessment thereupon shall be sent to every Owner subject thereto.

The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-payment of Assessment: The Personal Obligation of the Owner; The Lien; Remedies of Association. If the assessments are not paid on the date when due (being the dates specified in Section 7 hereof,) then such assessment shall become delinquent and shall, together with such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation

of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of six (6) per cent per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of preparing (and filing the complaint) in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be absolutely subordinate to the lien of any first mortgage now or hereafter placed upon the properties subject to assessment. This subordination shall not relieve such property from liability for any assessments now or hereafter due and payable, but the lien thereby created shall be secondary and subordinate to any first mortgage irrespective of any such first mortgage also executed and recorded.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Properties as defined in Article I, Section 1 hereof; (c) all properties exempted from taxation by the laws of the State of Florida, upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

ARTICLE VI

The Architectural Control Committee shall have the absolute and exclusive right to refuse to approve any such building plans and specifications and lot grading and landscaping plans which are not suitable or desirable in its opinion for any reason, including purely aesthetic reasons and reasons connected with future development plans for the Developer of said land or contiguous lands. Such building plans and specifications shall consist of not less than the following: Foundation drawings of all floors, section details, elevation drawings of all exterior walls, roof plan and plot plan showing location and orientation of all buildings and other structures and improvements proposed to be constructed on the building plot, with all building restriction lines shown. Section 2. Assessment of Cost. The cost of such exterior maintenance shall be assessed against the Lot upon which such maintenance is done and shall be added to and become part of the annual maintenance assessment or charge to which such Lot is subject under Article V hereof and, as part of such annual assessment or charge, it shall be a lien and obligation of the Owner and shall become due and payable in all respects as provided in Article V hereof.

Provided that the Board of Directors of the Association, when establishing the annual assessment against each Lot for any assessment year as required under Article V hereof, may add thereto the estimated cost of the exterior maintenance for that year but shall, thereafter, make such adjustment with the Owner as is necessary to reflect the actual cost thereof.
