Association Manager Message

Fall is a favorite time of year in our community as we look forward to cooler weather and the many fun activities that are part of the upcoming season.

Speaking of Community, we have several upcoming events that I would like to highlight for you here: they include the Second Harvest Food Drive, Toys for Tots- Toy Drive, Killlearn's Semi-annual Community Wide Yard Sale, and the Killlearn Homeowners's Annual Membership Meeting; please mark your calendars with the dates for these events all ow which are detailed on page 3 under "Community Highlights".

Our most anticipated meeting of the year is the Killlearn Homes Annual Membership Meeting, and will be held on November 6, 2018, at Killlearn United Methodist Church, located at 2800 Shamrock Street South in the main sanctuary at 6:30pm. We hope you will attend this meeting, because it is for you - the Killlearn homeowners! The Board of Directors will present the Annual Report, and residents can share both their concerns and their suggestions for making the Killlearn Estates Community better every year! The KHA staff and Board of Directors have been diligently working all year on ways to improve our neighborhood, and we hope that you will participate in this discussion with us. Again, it is an opportunity to share specific issues that might be important to you! We depend upon the residents communicating with us!

On that note, we would like to share with you some recently voiced concerns from several members of the community regarding neighborhood issues, many of which do not fall under a specific category or one in which the KHA Covenants has the authority to enforce. Many of these issues fall more under the category of simply being a "good neighbor", being considerate and respectful of your neighbor and the property around you. In order to help bring such concerns to light, in 2019 we will be highlighting a neighborhood 'Tip' of the month, covering issues you might not expect to be in the covenants. We hope that by doing this, communication will be improved among neighbors and the KHA Office as well.

This month, an issue that we have heard a lot about is street parking, and the associated safety issues. Streets are governed by the City of Tallahassee, and KHA cannot stop homeowners from parking on the street. Although there may be times when it is necessary, we must keep in mind that street parking can endanger not only the car parked there, but also other cars that must maneuver around the parked car, obstructing the view of not only other vehicles but bicyclists and pedestrians as well . We ask that our neighbors consider these safety issues before making the curb your permanent parking spot. If a car is parked for an extended period, you may call 606-5800. The Tallahassee Police Department will visit and determine if the vehicle is considered abandoned. If the vehicle is considered abandoned by TPD, it will be tagged for a period of five days and then removed by Lake Jackson Wrecker Service. If your neighbor is parking in the street daily and is creating a hazard, please discuss the safety concerns with them directly, we want to keep our streets safe and enable emergency vehicles access. 🍀

President's Message

Your Board has just prepared our Capital Improvement Program Budget for 2019. Major items include lakes, parks, entrance improvements and overall grounds maintenance. We are continually working to keep Killlearn beautiful and our homes values on the upward trend. Please help us do so in any way you can. 🍀

"This pendant saved my life!"

MOON OVER MACLAY

By Susan Ledford

This year, Moon Over Maclay celebrates its 9th year of jazzing up the park scene at Alfred B. Maclay Gardens State Park.

As a fundraiser to support the park, Friends of Maclay Gardens staged a couple of Pops in the Park concerts that brought symphony music to Maclay Gardens. Although Pops was a popular event, it became a bit daunting to stage, so the Friends organizers looked to simplify.

Their thoughts turned to Stan Rosenthal who was then the UF/Leon County Forester. "They knew me from calling to get information about trees and the Master Gardener program," said Rosenthal, who retired as forester in 2016. They also knew he was in a band. "They asked if my band would be willing to play at the gardens for a fundraiser, and if I could help line up some other performers."

It was 2010 and a hit was born. It was the essence of simplicity and fun – a concert under a full moon enjoyed by picnickers on the lawn. The first year featured performers in multiple areas of the park. As the years went by, the performance has settled in on the front porch of the historic Maclay House.

It also wasn't long before the Friends of Maclay Gardens asked Rosenthal to join the Board of Directors, a position he still holds.

Moon Over Maclay has grown in attendance year after year as word spreads about the unique opportunity to enjoy a magic evening under a full moon listening as music ripples over Lake Hall. Performers are chosen from the area and never fail to soothe, surprise, entertain and delight the audience.

"I could recruit performers from anywhere, but as I heard someone say, the TLH Airport code stands for 'Talent Lives Here,' and it's so true," Rosenthal said. "We have world-class musicians in Tallahassee."

Past performers have included two-time Grammy-winner Scotty Barnhart, who is also a FSU College of Music professor and director of the Count Basie Orchestra; internationally acclaimed jazz violinist Mark Russell; and FSU Associate Professor and Director of Jazz Studies Leon Anderson Jr., a jazz percussionist and composer who performs worldwide.

This year's headliner is Avis Berry~Colleen Nixon & the Jasmine. With Avis' warm, soulful sound and Colleen's clear, angelic tone, these two unique artists will have harmonies and renditions of your favorite jazz standards that will invite you into their musical moment and have you wishing the night would never end.

Considered a modern renaissance woman and jewel of Tallahassee, FSU alum Avis Berry is a talented singer equally accomplished in jazz, gospel, and classical music. She has shared the stage with such greats as Dave Brubeck and Robert Shaw, and has been a featured soloist with the Berlin Radio Choir, various FSU ensembles including the FSU Jazz Faculty, and the Tallahassee Symphony Orchestra.

Tallahassee's home-grown wild flower Colleen Nixon was told she was singing before she was speaking. With a deep love of music and after years of voice lessons, Colleen moved to Nashville, Tennessee, and received her bachelor's degree from Belmont University in Commercial Voice with a Music Business emphasis. It was there that Colleen's gift of songwriting blossomed. She has released five albums, including two with her original pop/folk/jazz songs recorded and produced by Grammy Award winner Mitch Dane. Her full-length album, "Lake Ella's Sky," is an ode to her beloved hometown and includes the song "Tallahassee."

The Jasmine features some of the most talented jazz musicians in Tallahassee today. Joshua Cossette - piano; Joel Johnson - guitar; Mikailo Kasha - upright bass; and veteran Moon Over Maclay performer, FSU ethnomusicology professor Dr. Michael Bakan on drums and percussion.

Leading off Moon Over Maclay will be the Thursday Night Music Club. This Tallahassee group offers "big band" style music and plays a repertoire of jazz, swing, funk, rock and Latin jazz. These talented musicians come with a variety of professional and amateur experience in the Tallahassee region and beyond.

Don't miss these special performances at the Gardens. All proceeds are used for the Friends' mission to support and enhance the historic gardens, Maclay House and the Park. 🍀

FALL GARDENING with Esposito Garden Center

Plant these 3 evergreen shrubs for fall color every year:

1. Sunshine Ligustrum: This lime green evergreen shrub pairs perfectly with cool-season Bubbegum petunias!

2. Fall-blooming Camellias: The first Camellias start blooming in October. Choose early, mid, and late season varieties for color from fall to spring!

3. Loropetalum: This is one of our favorites all year long! This easy-care deep maroon shrub comes in a variety of shapes and sizes, from a 2 ft tall pixie to an 8 foot tall topiary!

Fall is in the air and your garden is likely in need of a seasonal rejuvenation. At Esposito Garden Center you will find new and improved varieties along with time-tested seasonal favorites that are sure to brighten up your outdoor oasis!

To revamp your annual flower beds, plant colorful flowers such as chrysanthemums, petunias, snapdragons, pansies, petunias, asters, and dianthus. The slightly hardier Bubbegum petunia is a local favorite. Accent these colorful additions with bold foliage in the form of ornamental cabbages and kales. These ornamental vegetables come in a wide array of colors from dark maroon to white and tolerate the cold of winter better than most annuals.

It's also a great time to plant a few cool-season vegetables for use in the kitchen. Consider arugula, beets, broccoli, Brussels sprouts, cabbage, carrots, cauliflower, celery, Chinese cabbage, collards, kale, kohlrabi, mustard, bulbing onions, green onions, radishes, spinach, Swiss chard, turnips, Bok choy, tatsoi, and mizuna. Be sure to add some herbs such as cilantro, dill, parsley,

French sorrel, salad burnet, and sage too. Include evergreen selections like oregano, rosemary, and thyme for an herb garden that produces delicious culinary delights all year long!

You can plan for the future by seeding a few of our favorite cool-season flowering annuals. Plant seed of larkspur, poppies, bachelor buttons, and sweet peas by breaking up the soil in a sunny area, spreading the seed on the surface, and then lightly raking the seeds in. Keep the soil moist until the seeds germinate and the young plants are well established. The plants will grow slowly until spring, but come March they will start growing rapidly and blooming soon after.

For a healthy spring lawn, be sure to apply winterizing fertilizer before the first frost. To prevent winter weeds from taking over your lawn, use one of our recommended pre-emergents.

Events at the Garden Center
